Sales – The main income for July and August has been visitor fees.

1. The balances of the accounts are: Santander Current Account £12596, Santander Reserve account £49,583 and the Barclays 10 day notice account £86,742. The OA has been chasing late payers and our debtors have reduced to £651.

### **Cash flow**

The income for July was well ahead of projections but August was down. This is a partly due to dates banked. Overall the income is still up on projections.
